From 25 to 29 September, The Hague is hosting the second edition of the international Cyber Security Week. More than 40 events will provide the opportunity to meet key players, discuss the latest developments, share knowledge and pitch innovative ideas. For example the Europol-INTERPOL cybercrime conference and the final of the EC-Council hacking competition 'Global Cyberlympics' will take place. The CSW is an initiative of The Hague Security Delta, the leading security cluster in Europe, together with many partners. If you want to know more about the programme, please visit <http://cybersecurityweek.nl>.
